Total Units: 15 **Total Unit Strength:** 30
Total Points: 2750

Command Order	Target	Description
Tenacity!	3	The unit may re-roll a single failed to hit roll in Combat this Turn. It cannot be used to re-roll a dice for an attack that has the Blast special rule.
Tactical Retreat!	4	If the unit performs a Back! order, it may move up to its Sp value, but may not make any pivots. This order may not be issued to a unit carrying a Loot Counter.

Fight on with Honour!	4	Units with the Hemicyon Trait only. For each successful result on the dice rolled to issue this order, the unit removes one damage it previously suffered.
Pack Attack	4	Units involved in a Combat with multiple Engaged friendly units only. The unit gains the Brutal (2) special rule.
Bloodhound	4	Units with the Hunter Trait only. The unit gains the Slayer (+nD3 - Combat) special rule until the end of the Turn, where n is the number of successful results on the dice rolled to issue this order.
Sic 'em!	4	Units with the Hemicyon Trait only. The unit gains the Thunderous Charge (+1) special rule.
For the Greater Good	4	Units with the Yan Trait only. For each successful result on the dice rolled to issue this order, the unit gains one damage but also increases is Sp by +1. No Nerve test is taken for damage suffered this way.

Special Rule	**Description**
Aura (n)	(n) is a special rule or bonus that the Aura grants to the unit itself and all friendly units while they are within 6” of the unit. An Aura may have a further qualifier, in which case the Aura will only grant the special rule to the unit with that name or Trait in addition to the unit with the Aura itself. For example, Aura (Wild Charge (1) Herd Trait only) would confer the Wild Charge (1) special rule to all friendly units within 6” with the Herd Trait. Occasionally an Aura may have a longer range, which will be specified before the listed bonus. Effects of Auras of the same type are not cumulative. So, for instance, a unit covered by two Auras (Thunderous Charge (+1)) do not gain Thunderous Charge (+2). Units only gain special rules that affect Combat or Ranged attacks (such as +n Att, +n Me, Brutal, Elite, Crushing Strength etc.) if they are within the Aura when the attacks are being resolved. Extra attacks granted in this way are applied to the unit’s profile before any potential doubling for Flank or Rear bonuses. If an Aura increases the stats of the units within range, the bonus is assumed to have already been applied to the unit with the Aura (you can’t add it again!). Units only gain special rules that affect movement (such as Pathfinder, Strider, Wild Charge etc.) if they are within the Aura at the beginning of their movement.
Crushing Strength (n)	All hits caused by attacks from this unit in Combat have a (+n) modifier when rolling to damage. For example: when rolling to damage in Combat with an attack that has Crushing Strength (1),a roll of 4 would become a roll of 5.
Individual	This rule is explained on page 42.
Inspiring	If this unit, or any friendly unit within 6” of this unit, suffers a Wavering or Rout result (including when attempting to Withdraw!),that Nerve test must be rerolled. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified.
Iron Resolve (n)	If this unit is Steady as a result of a Nerve test, it regains (n) points of damage previously suffered to a maximum of 3.
Pathfinder	The unit may move At The Double! through Difficult Terrain as though it were Open Terrain.
Rallying	Friendly units within 6” of this unit have +1 to their Nerve value. This is not cumulative if multiple units with Rallying are in range.
Strider	This unit’s Charge is not Hindered when charging through, or ending its Charge on, Difficult Terrain or Obstacles.
Strider	This unit’s Charge is not Hindered when charging through, or ending its Charge on, Difficult Terrain or Obstacles.
Thunderous Charge (n)	If the unit has made a Charge! into Combat this Turn, all hits inflicted in Combat by this unit have a (+n) modifier when rolling to damage. This bonus is in addition to the unit’s Crushing Strength (if any). However, the unit loses this bonus when Hindered.
Vicious	Whenever the unit rolls to damage, it re-rolls all dice that score a natural, unmodified 1. Vicious may specify which phase it is limited to: e.g. Vicious (Combat) means the rule applies only in the Combat Phase.
Yielding	Both friendly and enemy units can always choose to ignore this unit, just as if it was not there, when moving and shooting (even if Engaged with it). They must however still end their Movement Order clear of this unit. It is assumed that the Yielding unit moves aside and lets the enemy pass by before returning to its position. If your unit(s) Routs a Yielding unit and chooses to move Forward!, and this random movement would bring them into contact with another enemy unit, treat this as a successful Charge against the facing that your unit(s) started its Forward! move in (if possible, otherwise against the facing contacted). If the Forward! move took your unit(s) over an Obstacle or through Difficult Terrain, then it will be Hindered in the ensuing Combat as normal.

Artefact	Description
Brew of Haste	This unit increases its Speed stat by +1.
Banner of Command	When rolling to issue a Command Order with this unit, add an additional die to the attempt.
Inspiring Talisman	The hero gains the Inspiring special rule.
