Total Units:	16	**Total Unit Strength:**	27
Total Points:	2750		

Command Order	Target	Description
Tenacity!	3	The unit may re-roll a single failed to hit roll in Combat this Turn. It cannot be used to re-roll a dice for an attack that has the Blast special rule.
Tactical Retreat!	4	If the unit performs a Back! order, it may move up to its Sp value, but may not make any pivots. This order may not be issued to a unit carrying a Loot Counter.
Blessing of the Lady	4	The unit gains n Barkskin Tokens (see the Barkskin Spell),where n is the number of successful dice rolled to issue this order. A unit with Barkskin tokens granted by this Command, cannot receive them by any other means this Turn.
Nature Trails	5	Units with the Herd or Elemental Trait only. The unit gains the Strider special rule.
Stampede	5	Units with the Herd Trait only. An enemy unit that is Charged by this unit in this Movement Phase and Routed in Combat this Turn is treated by this unit as though it had the Yielding special rule. This unit with Stampede must then choose to go Forward! as its post-Combat Outcome, and if it contacts another unit, it will be Hindered.
Elemental Force	4	Units with the Elemental Trait only. The unit gains the Rampage (n+2 - Combat) special rule where n is the number of successful dice rolled to issue this order.
Entanglement of Thorns	4	If this unit is Routed in Combat this Round, any units it was Engaged with can only be given a Hold! post-Combat order.

Special Rule	Description
Advanced Deployment	After both sides have deployed, but before any Scout moves, deploy this unit anywhere on your half of the board in Open Terrain, except on any tokens or markers. After this it cannot be moved for any reason.
Aura (n)	(n) is a special rule or bonus that the Aura grants to the unit itself and all friendly units while they are within 6” of the unit. An Aura may have a further qualifier, in which case the Aura will only grant the special rule to the unit with that name or Trait in addition to the unit with the Aura itself. For example, Aura (Wild Charge (1) Herd Trait only) would confer the Wild Charge (1) special rule to all friendly units within 6” with the Herd Trait. Occasionally an Aura may have a longer range, which will be specified before the listed bonus. Effects of Auras of the same type are not cumulative. So, for instance, a unit covered by two Auras (Thunderous Charge (+1)) do not gain Thunderous Charge (+2). Units only gain special rules that affect Combat or Ranged attacks (such as +n Att, +n Me, Brutal, Elite, Crushing Strength etc.) if they are within the Aura when the attacks are being resolved. Extra attacks granted in this way are applied to the unit’s profile before any potential doubling for Flank or Rear bonuses. If an Aura increases the stats of the units within range, the bonus is assumed to have already been applied to the unit with the Aura (you can’t add it again!). Units only gain special rules that affect movement (such as Pathfinder, Strider, Wild Charge etc.) if they are within the Aura at the beginning of their movement.
Brutal (n)	When testing the Nerve of an enemy unit in Combat with one or more of your units with this rule, add the highest Brutal (n) value to the total rolled. If an enemy unit is subject to both the Brutal and Dread special rules, the attacking player must choose which to use. Both cannot be applied against the same unit at the same time.
Call of Nature	In the Movement Phase, the Totem can attempt to issue a Command Order rolling 2D6 like a Champion. However, this unit cannot be the target of Command Orders itself, from any source.
Crushing Strength (n)	All hits caused by attacks from this unit in Combat have a (+n) modifier when rolling to damage. For example: when rolling to damage in Combat with an attack that has Crushing Strength (1),a roll of 4 would become a roll of 5.
Elemental Affinity	While within 6" of a friendly unit with the Elemental Trait, this unit has the Elite special rule.
Enraged	In combat, this unit has a number of additional attacks equal to the points of damage it has currently suffered.
Fearless	When taking Nerve tests, this unit treats Wavering as Steady.
Fly	When executing an order other than Withdraw!, the unit can move and pivot over anything (Blocking Terrain, enemy units, friendly units when charging, etc.),as long as the flying unit’s entire Movement Order ends clear of any units or Blocking Terrain. The unit does not suffer Hindered charges for moving over Difficult Terrain or Obstacles, unless it starts or ends the move within or touching them.
Height (n)	If a unit is a different height from the standard of its unit type (see chart on page 12),its height is the number given in this special rule as (n).
Individual	This rule is explained on page 42.
Inspiring	If this unit, or any friendly unit within 6” of this unit, suffers a Wavering or Rout result (including when attempting to

	Withdraw!),that Nerve test must be rerolled. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified.
Leaper	When drawing Line of Sight from this unit, treat it as 1 point of Height higher than normal (modified by terrain as normal).
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre-point while executing a Charge! order.
Pathfinder	The unit may move At The Double! through Difficult Terrain as though it were Open Terrain.
Rallying	Friendly units within 6” of this unit have +1 to their Nerve value. This is not cumulative if multiple units with Rallying are in range.
Shambling	The unit cannot be given an At the Double! movement order. In addition, it can only make a single pivot as part of an Advance! movement order instead of two.
Thunderous Charge (n)	If the unit has made a Charge! into Combat this Turn, all hits inflicted in Combat by this unit have a (+n) modifier when rolling to damage. This bonus is in addition to the unit’s Crushing Strength (if any). However, the unit loses this bonus when Hindered.
Very Inspiring	This is the same as the Inspiring special rule, except that it has a range of 9”. Any rule that affects Inspiring also affects Very Inspiring.
Vicious	Whenever the unit rolls to damage, it re-rolls all dice that score a natural, unmodified 1. Vicious may specify which phase it is limited to: e.g. Vicious (Combat) means the rule applies only in the Combat Phase.
Vicious	Whenever the unit rolls to damage, it re-rolls all dice that score a natural, unmodified 1. Vicious may specify which phase it is limited to: e.g. Vicious (Combat) means the rule applies only in the Combat Phase.
Yielding	Both friendly and enemy units can always choose to ignore this unit, just as if it was not there, when moving and shooting (even if Engaged with it). They must however still end their Movement Order clear of this unit. It is assumed that the Yielding unit moves aside and lets the enemy pass by before returning to its position. If your unit(s) Routs a Yielding unit and chooses to move Forward!, and this random movement would bring them into contact with another enemy unit, treat this as a successful Charge against the facing that your unit(s) started its Forward! move in (if possible, otherwise against the facing contacted). If the Forward! move took your unit(s) over an Obstacle or through Difficult Terrain, then it will be Hindered in the ensuing Combat as normal.

Spell	**Description**
Celestial Restoration Range: 36" Friendly, CC, Indirect	Blast (D3). Instead of causing damage, the total number of hits is the number of points of damage that are immediately removed from the target unit. Dice rolled to hit with this spell cannot be re-rolled for any reason.
Hex Range: 30" Target	If any hits are scored, instead of causing damage, the target enemy unit is Hexed until the end of its next Turn. Hexed units receive two points of damage for each hit they score with a spell. A Nerve test is not required for damage caused by this spell.
Surge Range: 12" Friendly, Shambling only	For each hit scored, instead of causing damage, the friendly Shambling unit moves straight forward a full inch (stopping in contact with friendly units and Blocking Terrain). If applicable, the Fly special rule is not in effect for this movement. This spell has no effect on units with Speed 0. If this movement brings the target unit into contact with an enemy unit treat this as a successful Charge against the enemy facing that the unit contacted. If a corner is contacted, use the arc that the unit was in before it started its Surge move. If there is not enough space for your unit to physically move into contact with the enemy unit contacted by moving as described in the Moving Chargers section on page 18 then the target unit stops in contact with, but not Engaged with, the enemy unit. If it brings the target unit into contact with more than one enemy unit simultaneously then the player whose turn it is chooses which unit is being charged. If it turns out there is not enough space to physically move into contact as described above you can choose a different target from the enemy units you made contact with. If it turns out you cannot physically move into contact with any of the enemy units then the target unit stops in contact with, but not Engaged with, the enemy units. If the Surge move took the target unit over an Obstacle or through Difficult Terrain, then it will be Hindered in the following Combat phase.. Note that the charged unit will not take any Nerve tests for any damage it might have taken in this Ranged Phase. Note that a unit cannot be the target of a Surge in the same Turn in which it has been ordered to Withdraw!
Wither and Perish Range: 12" CC	Blast (D3). Roll to damage as normal. If this is cast into Combat, the target will not take a Nerve test at the end of the Ranged Phase. In addition, if any hits are scored, the target unit has a -1 modifier when rolling to damage enemy units until the end of their next Turn (any rolls the unit makes of a natural 6 will still cause damage, however). Multiple castings of this spell, or combining it with Weakness, do not cause additional modifiers.
Life Awakening [1] Range: 18" Difficult Terrain only	Friendly units in or touching the target receive one Barkskin token (see the Barkskin Spell). In addition, for each successful hit, all enemy units in or touching the target (even if Engaged) immediately take a Piercing (2) hit (which is not against their front facing). Engaged enemy units do not take a Nerve test at the end of the Ranged Phase.

Artefact	Description

Sir Jesse’s Boots of Striding	Once per game, this unit gains both the Pathfinder and Strider special rules until the end of the Turn.
Hammer of Measured Force	In Combat, this unit will always damage the enemy on a 4+ regardless of any other modifiers.
Brew of Strength	The unit gains the Crushing Strength (+1) special rule.
Banner of Command	When rolling to issue a Command Order with this unit, add an additional die to the attempt.
